Re: Unite States v. Approximately Sixty-Nine  
Rough Diamonds Seized at JFK International Airport  
Civil Action No.: 14-538

Dear Judge Gold:

I write to request an adjournment of Plaintiff's compliance with answers to interrogatories and deposition of Mrs. Bah. The presence of the Ebola virus in Guinea has made gathering information somewhat difficult. I request that Plaintiff's time to answer Defendant's interrogatories be extended to October 30<sup>th</sup> and the deposition of Mrs. Bah be extended to November 30<sup>th</sup>.

AUSA Laura Mantel has consented to my request, subject to the Court's approval.

Respectfully,

Stuart A. Jackson
